RE: Campus Honors Program Awards for 1999-00

Attached you will find lists of Chancellor's Scholars who have been identified to receive merit scholarship awards from the CHP for academic year 1999-00. The first list identifies incoming freshmen and includes in-state and out-of-state students. In-state students are to receive a one-time merit scholarship of $200 to be split Fall 99 and Spring 00 semesters. The out-of-state students are to receive a waiver of $2000 for each semester. These awards for new students are NOT GPA dependent for the first year so the computer system may need to be overridden for certain students for the Spring award to be made.

The second list identifies students whose awards have been renewed for a second year. They are to receive a waiver of $2000 for Fall 99 semester. (Students that did not meet the GPA requirement have been omitted.) The listed students will receive the same award for Spring semester 2000 if they meet the minimum GPA requirement of 3.25 on a 4.0 scale.

The third list identifies students who receiving an award through special merit. They are to receive a waiver of $2000 for Fall 99 semester. They will receive the same award in Spring semester 2000 if they meet the minimum GPA of 3.25 on a 4.0 scale and enroll as full-time, non-resident students.

As last year, please use funds for these awards from our tuition waiver campus allocation before using funds from our State UFAS (scholarship) account. In the event there are funds remaining in the campus allocation, it will be very helpful to receive a printed report of the tuition and state funds so that I can offer additional merit scholarships.

Thank you very much for your assistance.
